Non-exempt Employee Unit

2004 Memorandum of Understanding

This Memorandum of Understanding (“Agreement” or “MOU”) is entered into by the University of Maryland, College Park (“University” or “Employer”) and the American Federation of State, County and Municipal Employees, AFL-CIO (“Union” or “AFSCME”), and has as its purpose the promotion of harmonious relations between the University and the employees in the non-exempt bargaining unit and its representatives. The parties to this agreement shall make a sincere effort to ensure that its administration is conducted in a fair and expeditious manner and for the benefit of establishing stability and understanding in the parties’ labor management relations. This preamble is a statement of principle only and shall not be used in the interpretation of any of the provisions of this Agreement.

Article 1. Recognition and Scope of Agreement

Section 1. Exclusive Bargaining Agent

The University recognizes AFSCME as the exclusive representative for all regular full-time and part-time employees in the non-exempt employee bargaining unit, not including individuals excluded from the bargaining unit under the State Higher Education Labor Relations Act, Section 3-102, Title 3, of the State Personnel and Pensions, Annotated Code of Maryland.

Section 2. New Job Classifications

The University shall inform the Union of any new non-exempt job classification created by the University. The University shall inform the Union of any classification that in its judgment shall not be included in the non-exempt bargaining unit. Notification shall be provided no later than ten (10) working days after a job classification is officially filled.

Within ten (10) workdays from receipt of notification, the Union may request a meeting with the University to review the reasons for the exclusion of any job classification excluded by the University.

A meeting shall take place within five (5) workdays from the date that the Union requests a meeting if practicable. At this meeting the University and the Union shall attempt to resolve any differences of opinion regarding the exclusion of a job classification.

Section 3. Effect of USM Board of Regents and UMCP Policies

- (a) Except as specifically provided for in this Memorandum of Understanding, all University System of Maryland and University of Maryland, College Park policies, procedures, rules, practices, and conditions of employment governing bargaining unit employees (“Policy”) are and shall remain in full force and effect. Where a portion of any existing Policy is modified by this MOU, the remainder of that Policy not in conflict with the MOU remains in full force and effect.
- (b) This MOU is subject to applicable Federal and State laws and regulations, and the Charter and by-laws of the Board of Regents and the University System of Maryland, as well as any contracts between the University and a third-party pre-dating the ratification of the MOU.
- (c) The Policies may not be modified with regard to the terms and conditions of employment for bargaining unit members without first furnishing the Union with at least 30 days notice of any changes and an opportunity for the Union to bargain with regard to the change. The Policies may be changed to conform with changes to any corresponding Federal or State law or regulations.

Section 4. Bargaining Unit Work/No Contracting Out

Unless otherwise provided by law, the University recognizes the integrity of the bargaining unit and will endeavor to use bargaining unit employees to perform bargaining unit functions in preference to contracting out with the private sector. In the event the University proposes to use non-bargaining unit individuals to permanently displace bargaining unit employees, it will provide the Union with notice at the earliest opportunity, but normally at least sixty (60) days in advance and will be available to meet upon written request from the Union within ten (10) days after the request is made.

However, it shall not be considered a violation of this MOU for non-bargaining unit employees to perform duties traditionally and customarily performed by bargaining unit members in accordance with present practice provided that said work does not directly result in the layoff of bargaining unit members.

Article 2. Non-Discrimination

Section 1. Non-Discrimination

The parties agree not to discriminate against bargaining unit employees in violation of the laws of the State of Maryland or the Government of the United States.

Section 2. Employee Rights

In addition to all rights granted under this MOU, all employees in the bargaining unit shall enjoy the protections and rights codified in Section 3-301, Title 3, of the State Personnel and Pensions, Annotated Code of Maryland. The Union agrees that at least five (5) working days prior to the filing of a unfair labor practice charge with the State Higher Education Labor Relations Board on behalf of itself or any employee(s), the Union will confer with the University regarding the subject matter of the ULP and reasonably attempt to resolve the issue.

Article 3. Hours of Work and Overtime

Section 1. Workweek and Work Schedules

The University will designate a regular work schedule for each employee at the beginning of employment that may be modified by providing at least thirty (30) days notice to the employee. This section shall not preclude the University from changing schedules on a temporary basis for not more than thirty (30) days in duration at a time, due to business needs and provided that at least ten (10) days notice is provided to the employees with the exception of changes where ten (10) days notice not possible due to an emergency or demonstrated need caused by circumstances beyond the University's control. A work schedule is defined as the employee's assigned work hours, including starting and ending times during the day, and the days included during the week. Employees involuntarily transferred into regular work assignments that include work on Saturday and Sunday shall be entitled to a weekend work differential of eight dollars (\$8.00) per weekend. Employees may be allowed to work flextime and/or shift change subject to the prior immediate supervisor approval.

Section 2. Copy of Job Description

Upon initial employment and upon each change in job classification, work location, or work schedule thereafter, each full-time or part-time bargaining unit employee shall be notified in writing and furnished a copy of his/her job description, applicable salary, work location, or work schedule as applicable.

Section 3. Breaks

Departments shall maintain their current practice with regard to work and lunch breaks except that full-time employees shall be entitled to two (2) breaks during their shift of fifteen (15) minutes each, to be scheduled consistent with supervisor approval and workplace needs. Employees working less than full-time but 50% or more shall be entitled to one break during their shift of fifteen (15) minutes, to be scheduled consistent with supervisor approval and workplace needs. The break periods shall not be combined to enable an employee to arrive late or leave work early.

Section 4. Lunch Break

Employees working six (6) hours or more shall have a duty-free lunch break of at least thirty (30) minutes. The lunch period shall not be used to enable an employee to arrive late or leave work early. Employees shall be allowed to combine breaks and lunch time with prior supervisory approval.

Section 5. Overtime

Employees shall be compensated at a rate of one and one-half times their rate of pay for all hours worked in a workweek over forty (40). Hours of work shall include hours of work consistent with the Fair Labor Standards Act and shall include other hours in paid status, including but not limited to annual leave, sick leave, personal leave, and holiday leave.

Section 6. Payment of Overtime

All hours worked under the overtime provisions of this contract shall be paid to the employee at the next regularly scheduled pay-day provided that such hours of overtime took place before the payroll reporting deadlines in effect at that time. In no event, should payment of overtime be delayed for more than an employee's full pay period. In the event payment of overtime is delayed for more than a full pay period, the Employer shall endeavor to provide the check within two (2) working days but in no event more than four (4) working days from the date when the pay period expired.

Section 7. Advance Notice

With the exception of emergencies or overtime where one (1) day notice is not possible due to a demonstrated need caused by circumstances beyond the University's control, the University shall provide notice of at least one (1) day in advance.

Section 8. Compensatory Time Off

THE PARTIES TO THIS MOU AGREED TO THE DELETION OF THE FOLLOWING WORDING IN BRACKETS:

[At the request of the employee, subject to management approval, overtime work may be compensated in the form of compensatory time off. Request for earning comp time shall not be unreasonably denied. It shall not be considered unreasonable to deny comp time to a bargaining unit employee that works in a Department/Office where there are three or less bargaining unit employees. When compensatory time off is granted, the employee shall be compensated at a time and one-half basis for all hours of work. Earned compensatory time off shall be scheduled and used subject to management approval within the ensuing three-month period. Compensatory time off not used within that three-month period will be paid to the employee at the rate it was earned in the next pay period following the expiration of the three-month period. Compensatory time off in excess of sixty (60) hours will automatically be paid out in accordance with the provisions of this Section.]

THE PARTIES TO THIS MOU AGREED TO THE SUBSTITUTION OF THE FOLLOWING WORDING FOR THIS SECTION TO REPLACE THE ABOVE DELETION, EFFECTIVE FOR THE TERM OF THE AGREEMENT:

At the request of the employee, subject to management approval, overtime work may be compensated in the form of compensatory time off. Request for earning comp time shall not be unreasonably denied. It shall not be considered unreasonable to deny comp time to a bargaining unit employee that works in a Department/Office where there are three or less bargaining unit employees. When compensatory time off is granted, the employee shall be compensated at a time and one-half basis for all hours of work.

An employee may carry up to a maximum of sixty (60) hours of accrued compensatory time while they remain in the same University department; the maximum total allowable compensatory time accumulation is 240 hours. Employees transferring to another department within the University shall be paid all hours of accrued compensatory time. All accrued compensatory time in excess of sixty (60) hours as of the first regular pay period in February, May, August, and November will be paid at that time. At the sole discretion of management, accrued compensatory time not used within twelve (12) months of the date it is earned may be paid at any time.

Article 4. Wages and Compensation

Section 1. Salary Increases

- (a) In July of each year of the MOU, the University and the Union shall meet and negotiate regarding possible salary increases for bargaining unit members, if any, to be included in the University's asking budget for the following fiscal year.
- (b) For FY 2005, the Regents have requested a 2.5% salary increment. For FY 2005, the Governor has recommended a cost of living adjustment of 1.6%. Such increases will be distributed to bargaining unit employees provided that the State Legislature appropriates specific funds for such increases, to the extent funded, and/or the University is specifically directed by the Board of Regents through their annual Salary Guidelines to distribute such increases.
- (c) In the absence of specific directive from the State legislature regarding the distribution of the salary increment, the University shall follow USM guidelines regarding distribution of such increases. To be eligible to receive such increase, the bargaining unit member must have completed his/her original probation period.

Section 2. Shift Differential

The Employer shall pay a shift differential to an employee working in a Department with two (2) or more shifts, that regularly works in a shift that starts at or after 2:00 p.m. and at or before 1:00 a.m. The shift differential shall be \$8 per qualifying shift for full-time employees and shall be pro-rated for part-time employees and for partial shifts.

Section 3. Hazardous Duty Pay

Employees who are required to perform asbestos work shall receive a salary differential equal to 50% of their current salary for all time spent performing such duties. Employees must meet the qualifications of the University's Asbestos Program to perform said work. Payment of this differential shall be in 1/10 hour increments and shall include time the employee spent changing into and removing program specified clothing and equipment.

Section 4. Acting Capacity Pay

When employees are placed in a Temporary Assignment or an Acting Appointment, duration, salary adjustments if any, and other terms and

conditions regarding the Assignment or Appointment shall be controlled by USM Policy VII-9.50 concerning Temporary Assignments and Acting Appointments.

Article 5. Performance Evaluation

Employees shall receive performance reviews annually. Performance reviews of bargaining unit employees shall be controlled by USM Policy VII-5.20 concerning the Performance Evaluation Program.

Article 6. Health and Welfare

Section 1. Maintenance of Benefits

All employees who are eligible for health insurance benefits coverage offered by the State of Maryland Employees Benefits Division shall receive said coverage on the same terms and conditions and pay premium or periodic charges on the same basis and to the same extent as the State establishes for State employees.

Section 2. EAP Program

The Employer shall continue offering the current Employee Assistance Program (EAP) to all employees in the bargaining unit.

Article 7. Tuition Remission

The parties recognize the importance of Tuition Remission. Tuition Remission shall be available to bargaining unit members, their spouses and dependent children consistent with applicable University System and University policies. Any changes in Tuition Remission, as set forth in this Section, by the University shall be subject to applicable law under the State Higher Education Labor Relations Act.

Article 8. Probationary Period

Section 1. Probationary Period

The probationary period for newly hired employees shall be six (6) months.

Section 2. Transfers

Employees laterally transferred to another department in the same job classification at the employee's request and employees reinstated to another department in the same job classification shall serve a three (3) month probationary period in the new or reinstated position. Such employees shall not be eligible to receive a salary increase based on the completion of that subsequent probationary period. At the discretion of the University, an employee may be removed for cause from the new or reinstated position and either be returned to his/her previous position before completion of the probationary period, if available, or separated from employment, if the previous position is unavailable.

Section 3. Probation of Contingent II Employees

The probationary period of employees being assigned to the bargaining unit as a result of a conversion from non permanent to permanent shall be thirty (30) days, provided the employee is assigned to the same job and has employment service of at least six (6) months.

Article 9. Leaves of Absence

Section 1. Eligibility for Leaves of Absence

All regular employees appointed to at least 50 percent of full-time basis are eligible to earn leave with pay at a rate proportionate to the individual's work schedule as defined in this Article. Leave is accrued each pay period and is used in terms of hours and minutes.

Section 2. Annual Leave

From the first through the sixth month of continuous initial service, annual leave is not available for use, but is credited for record keeping purposes. All employees may carry-forward 50 days of leave from year-to-year. The employee shall receive payment at his or her regular rate of pay for all leave in excess of 50 days as of December 31 of each year, the use of which was requested but denied for business reasons. The University shall not deny the use of annual leave after it was approved by a supervisor or a member of management, except in extraordinary circumstances. In cases where denial causes an employee to incur unavoidable financial losses, i.e., airplane tickets and/or hotel reservations, the University shall reimburse the employee upon proof of loss including any late cancellation charges and applicable taxes. Reimbursement shall occur on the employee's next paycheck.

Employees making timely and periodic requests for leave shall not be denied the use of any annual leave during an entire calendar year, except for business reasons as defined by shortage of staff or high demand seasons. Under no circumstances will an employee be denied use of any annual leave for two (2) consecutive years.

When an employee is denied use of annual leave due to business reasons, the employee shall receive notice of such denial within five (5) working days from the time the request is submitted, unless the employee's supervisor is absent from work in which case the employee shall receive notice within two (2) working days of his/her return.

Section 3. Annual Leave Accrual

Annual Leave Shall be accumulated based on the following formula:

<u>Years of Service</u>	<u>Annual Leave</u>
Less than 5 years	10 days
5 but less than 10 years	15 days
10 but less than 20 years	20 days
20 years and over	25 days

Section 4. Annual Leave Advancement

An employee may be advanced five (5) days of annual leave with the advance approval of the immediate supervisor provided that no other leave is available to the employee. Such advancement cannot be obtained until the employee has paid back any borrowed leave. An employee cannot use this provision more than once per year.

Use of advanced annual leave constitutes a debt for which payment shall be enforceable upon the employee's return to work or separation from employment, whichever is earlier. Upon return to work, the minimum rate of payback for advanced annual leave shall be at one-half the rate annual leave is earned. An employee may elect to pay back advanced annual leave by applying any earned leave or reimbursing the University with cash.

Section 5. Sick Leave

Employees in the bargaining unit will earn paid sick leave at the rate of fifteen (15) workdays per year. Said sick leave is available for use only to the extent earned. Earned sick leave shall be cumulative from year to year without limit. Sick leave shall be granted when an employee is absent due to:

- (a) Illness, injury or disability of the employee. A pre-scheduled medical appointment, a medical emergency, treatment for the employee with an accredited, licensed, or certified medical provider. Employees will attempt to schedule appointments during non-work hours.
- (b) Illness or injury in the employee's immediate family and medical appointments, examinations or treatments for the immediate family member with an accredited, licensed, or certified medical provider. Employees will attempt to schedule appointments during non-work hours.
- (c) Immediate family as used in this section shall include a spouse, biological, adopted, step child, foster child, grandchild, mother, father, mother-in-law, father-in-law, sister, grandparent, brother-in-law, brother, sister-in-law, or legal dependent of the employee irrespective of residence, or for any relative who permanently resides in the employee's household for whom the employee has an obligation to provide care. The Employer may require an employee to provide certification by a medical provider to authenticate the need for the employee to care for the ill family member.

- (d) Continuous use of earned leave including sick, annual, personal, advance sick leave, extended sick leave, leave granted through the leave reserve fund, or unpaid family and medical leave shall be granted to an employee as needed for personal illness.
- (e) An employee who becomes ill, injured, or suffers a disability while on vacation, may request that his/her leave be charged to sick leave. The University may require an employee to provide certification of illness or injury by a medical provider when the employee requests a change of leave.
- (f) Advanced sick leave may be granted to an employee who sustained a temporary, recoverable illness, injury, or serious disability. Approval of this leave requires the employee to have completed an original probationary period and that all other types of accrued leave have been exhausted. Requests for advanced sick leave shall not unreasonably be denied.

Advanced sick leave may be granted at the rate of fifteen (15) working days per year of service to a maximum of sixty (60) working days in any one calendar year. Use of advanced sick leave constitutes a debt for which payment shall be enforceable upon the employee's return to work or upon the employee's separation from employment, whichever is earlier. Upon return to work, the minimum rate of payback for advanced sick leave shall be at one-half the rate that sick leave and annual leave is earned. An employee may elect to pay back advanced sick leave by applying any earned leave or reimbursing the University with cash. Additional requests for advanced sick leave will not be granted until all previously granted advanced sick leave has been repaid.

Section 6. Proof of Illness or Injury

If the University has reason to believe there is an abuse or pattern of absence, the University may require the employee to provide a doctor's note. If a request for a doctor's note is made, the supervisor shall provide advanced notice to the employee that he/she must present a doctor's note upon returning to work. This does not prevent the University from taking disciplinary action against the employee based on the abuse or pattern of absence.

Verification shall include:

- (a) A written statement from the medical provider indicating that the employee is required to be absent from work due to illness;

- (b) The duration of the absence from work;
- (c) Prognosis of the employee's ability to return to work; and
- (d) Title and authorized signature of an accredited, licensed, or certified medical provider.

Verification may be obtained from an accredited Christian Sciences practitioner, or by the appropriate of any of the following licensed or certified medical providers:

Physician
Physical Therapist
Dentist
Oral Surgeon
Chiropractor
Podiatrist
Certified Nurse Practitioner
Certified Nurse-Midwife
Licensed – Certified Social Worker
Physician's Assistant
Acupuncturist

Section 7. Personal Leave

Employees shall be credited with three (3) days of personal leave on January 1 of each year. Personal leave is subject to the approval of the employee's supervisor, which shall not be unreasonably withheld. Personal leave shall not be cumulative from year to year so that unused personal leave at the end of a calendar year is forfeited and automatically contributed to the Leave Reserve Fund.

Section 8. Religious Observance

Employees shall be allowed to use Personal Leave in order to observe a religious holiday or to attend ceremonies or acts associated with their religion. With supervisor pre-approval, employees shall be allowed to use annual leave for these purposes as well.

Section 9. Military and War Leave

An employee who is a member of the National Guard, of the Army, Navy, Air Force, Marines, or Coast Guard Reserve shall be entitled to a leave of absence for military training for a period of not more than fifteen (15) workdays (pro-rated for part-time employees) in any calendar year without loss of pay or charge to any leave. Leave due to call-up to active military duty during a

national or international crisis or conflict shall be in accordance with the University System of Maryland policy.

Section 10. Jury Duty, Administrative Leave and Arbitrations

Leave of absence with pay shall be granted to employees for time spent in jury duty or if the employee is subpoenaed as a witness of another employee in a court proceeding, administrative hearing, or formal disciplinary hearing/meeting with University officials. Employees who are dismissed from jury duty or released as witnesses under any procedures listed in this section will be expected to return to work for the balance of their scheduled workday.

Section 11. Bereavement Leave

Bereavement leave is a new type of leave and replaces the use of sick leave for these purposes. Employees in the bargaining unit shall be granted paid bereavement leave, not to exceed three (3) work days, or five (5) days if overnight travel is required, on account of the death of any member of the employee's immediate family. For the purpose of this section, the immediate family is defined as the spouse, mother, father, mother-in-law, father-in-law, grandmother, grandfather, or a grandchild of the employee or the spouse, son, son-in-law, daughter, daughter-in-law, foster child still living with the employee, brother or sister of the employee, brother-in-law or sister-in-law, or any relative permanently living in the immediate household of the employee.

Employees shall be granted one (1) day of paid bereavement leave on account of the death of the employee's or his/her spouse's aunt, uncle, niece, or nephew.

Section 12. Administrative Leave

Employees in the bargaining unit shall be permitted to use administrative leave with pay as follows:

- (a) During emergency situations as defined by the University System of Maryland.
- (b) The University shall create a paid release time account for union business purposes not otherwise provided for in this MOU. On January 1 of each year, the University shall credit the Union's release time account with one (1) day of release time for every sixty (60) bargaining unit members. Any member of the bargaining unit will be allowed to use release time consistent with this Section. This leave may be used for paid Council 92 and

Local 1072 President's Leave as provided for in this MOU. Release time may be used in one-hour increments. Once the leave bank is exhausted, employees will not be entitled to administrative leave for union business unless otherwise provided for in this MOU.

All requests for Administrative Leave for union business shall be submitted to the Director of the Department of University Human Resources or his/her designee seven (7) calendar days in advance of the event and shall include 1) a general description of the event necessitating the leave and its purpose; 2) the date and location of the event; 3) the name of employee members for whom Administrative Leave is being requested; and 4) the name of the employee members' immediate supervisor(s).

Leave under this section shall not be unreasonably denied. Denial based on business necessity will only occur when the employee's department/office is suffering from shortage of staff, high demand seasons or when there is an extraordinary need for the work of the employee.

- (c) For purposes considered in the best interests of the employee as approved by the University President or his/her designee.

Section 13. Council 92 President's and Local 1072 Leave

In the event a member of AFSCME who is employed at the University is elected or appointed as the AFSCME Council 92 President or the President of AFSCME Local 1072, the University agrees to provide that individual, upon request, with an unpaid leave of absence not to exceed two (2) years. No more than one employee every two (2) years may be granted said leave.

The use of union leave under this article shall not serve as basis for unsatisfactory job performance evaluations or disparaging comments from supervisors.

Section 14. Leave of Absence Without Pay

Permanent employees may request a full or partial leave of absence without pay up to a maximum of a consecutive two-year (24 month) period in accordance with the University System of Maryland policy.

Section 15. Family and Medical Leave

Generally, pursuant to current Federal law and Board of Regents policy, Bargaining Unit employees are entitled to FMLA leave if:

- (a) The employee has worked for the University at least for twelve months, and
- (b) The employee has worked at least 1040 hours in the twelve (12) months immediately preceding the date the leave is to commence.

FMLA leave allows an employee to take job-protected leave of up to twelve (12) weeks in a calendar year for any of the following reasons:

- (a) To care for the employee's child after birth, or placement for adoption or foster care;
- (b) To care for the employee's spouse, son, daughter, or parent who has a serious health condition;
- (c) For a serious health condition, including pregnancy and recovery time, that renders an employee unable to perform his or her job; or
- (d) Any other reasons stated in the current University System Policy.

FMLA Leave can be taken continuously or in separate periods of time.

It is expressly understood that this Section provides highlights of the University's existing FMLA policy and does not constitute the University's entire policy that is hereby incorporated by reference. Employees must comply with the University FMLA policy's eligibility and usage requirements to be granted FMLA under the terms and conditions provided for under the University's policy.

The University's policy may be changed to conform with changes to the FMLA or any corresponding State law but may not otherwise be modified with regard to bargaining unit members without first negotiating any proposed changes with the Union.

Section 16. Leave Reserve Fund

Employees who have exhausted all earned paid leaves, advanced sick leave, extended sick leave, and compensatory time, if any, may be eligible for additional leave from the Leave Reserve Fund consistent with the eligibility and usage requirements contained in USM Policy 7.11 concerning the Leave Reserve Fund.

Section 17. Leave Upon Return or Reinstatement

A bargaining unit employee who is entering or returning to University of Maryland, College Park service is entitled to credit towards the rate of annual leave service for previous USM and/or State service. This previous service must have included at least 180 days of continuous and satisfactory performance in an allocated position.

A bargaining unit employee returning to University of Maryland, College Park service with an authorized status of reinstatement within three years of separation, is entitled to earn annual leave at the same rate in effect at the time of separation from active service.

Section 18. Transfer of Annual Leave

When an employee transfers to another institution in the University System of Maryland or transfers to another department in the same institution and/or moves from one employment category to another, or from the State of Maryland to the USM, all unused accumulated annual leave shall be transferred. Nothing in this Section shall be read to guarantee that an institution other than the University of Maryland, College Park will accept transferred accumulated annual leave.

Section 19. Leave "Cash Out"

Employees shall be allowed to cash out any amount of accrued annual leave, accrued compensatory time, and/or earned but unused holiday leave at the time of separation of employment due to retirement, resignation, or discharge.

Article 10. Holidays

Holidays that need to be deferred in order to accommodate the academic year calendar shall be recognized and placed in the period of December 26 through December 31 of each year, in Spring Break, or in another period as designated by the University. In the event the University desires to designate holidays in another period, it shall provide the Union with reasonable advance notice.

Section 3. Holiday Pay

Part-time employees' pay shall be pro-rated accordingly. If an employee is required to work on a mandated holiday, he/she shall receive holiday pay and compensation at the employee's regular rate of pay for time worked that day, including overtime if applicable, or at the employee's option may be provided a substitute holiday which shall be scheduled at the request of the employee subject to management approval and which shall be taken within ninety (90) days of the holiday worked. Employees may receive pay at

their regular rate of pay in lieu of the substitute holiday at the request of the employee subject to management approval. Employees' requests for a substitute holiday shall not be denied except for business reasons as defined by shortage of staff or high demand seasons.

Section 4 Payment of Carried-Over Holidays

Employees who leave their employment at the University for any reason are entitled to be paid for any unused holiday leave that has been earned as of the date of separation.

Section 5. Substitute Holidays

Article 11. Maintenance of Membership

Section 1. Payroll Deduction

The Employer agrees to deduct monthly dues and initiation fees, if applicable, from the wages of eligible employees who have signed a proper authorization for such deduction after said authorization has been submitted to the University Payroll Office. Article 12. Union Rights

Section 1. Right of Access

Non-University employee Union representatives shall have reasonable access to bargaining unit employees on campus for the purpose of administering this MOU and conducting other lawful Union activities, subject to University policies and procedures. It is understood that such representatives and officers will not disturb or interfere with the work of employees or other University activities while visiting campus facilities. Side Letter #1 to the Memorandum of Understanding

Facilities Management

Distribution of Overtime, Overtime List, and Rejection of Overtime

The University and the Union hereby agree to the following side letter to the 2004 Memorandum of Understanding between the parties, which is hereby incorporated therein:

Distribution of Overtime

In Facilities Management, overtime shall be distributed as equally as possible among all employees within a specific operating unit for which overtime is needed. It is understood that specific assignments may require special qualifications such as licenses and will only be offered to those employees meeting those qualifications. Operating areas may decline to offer specific overtime assignments to specific employees when that employee would require training during the overtime assignment to accomplish the work. Upon request of the union, department management shall produce a list reflecting the names of employees in the specific operating unit and the number hours of overtime worked during the fiscal year.

Continuation of Work

When a job started on straight time cannot be completed without overtime work, the University shall have the option of continuing on overtime work the employee(s) who started the job or replace them with other employees beginning with the employee lowest on the overtime list from the operating unit(s) needed.

Overtime Lists

- (a) In Facilities Management, overtime shall be assigned on a rotating basis from an existing list containing the names of all employees who have volunteered for overtime work within a specific operating unit. Management shall be the sole determiner of which operating unit(s) may be needed for any overtime assignment.

- (b) Initial lists shall be established within thirty (30) days after ratification of this contract. These lists shall be comprised of volunteers for overtime with the employee having the least time in the operating unit at the bottom of the list; employees joining the operating unit because of hiring or promotion shall be placed at the bottom of the overtime list for that operating unit. These lists will be based on the operating units attached hereto. Thereafter, employees may add or delete their name from the voluntary overtime list during the first week of January, April, July, or October in any year.
- (c) The overtime lists shall be organized by operating unit (such as the carpenter shop, electric shop) and may be further subdivided to reflect other criteria such as zones.
- (d) Upon mutual agreement between the University and the Union, further subdivisions of overtime lists may be created to reflect local issues or needs (such as three-shift operations).
- (e) Initial distribution of overtime shall be on the basis of seniority within the operating unit for employees who have volunteered for overtime, with the first opportunity being offered to the employee with the highest position on the list.

Acceptance or Rejection of Overtime

In Facilities Management when an opportunity for overtime exists, the employee on the overtime volunteer list with the highest position on the overtime list will be first offered the overtime assignment. Should the employee whose turn it is to work the overtime decline such opportunity, the supervisor shall offer the overtime to the next employee on the list and continue the process until an employee is available. In the rare circumstances when no employee from the list is available or everyone has rejected the opportunity to perform overtime work, the University will assign the work to the employee holding the lowest position on the overtime list within that operating unit. An employee who rejects overtime work will have his/her name placed at the bottom of the overtime list meaning that the next time overtime is available, He or she will not be offered overtime work for which he or she is until all other persons on this list have been offered that work. Once an employee accepts or is assigned overtime, that employee is ineligible for overtime work until all other employees in the operating unit needed have either been offered or assigned available overtime work.

Mandatory Overtime

Nothing in these sections dilutes the University's right to assign any employee mandatory overtime either as a result of the need to continue work begun on straight time or for special conditions such as weather-related needs or events such as commencement, or where sufficient volunteers cannot be obtained. This language shall be read consistent with Article 3, Section 7 of the MOU.

Appeals within the grievance procedure shall be timed from receipt of the written opinion of management or from when such opinion is due, whichever comes first. An

aggrieved employee or the employee's designated representative may present the grievance in writing to the department head or chairman or designee for formal consideration. If the grievance is presented to the department head or chairman or designee, within 5 days after the receipt of the written grievance a conference shall be held with the aggrieved or the employee's designated representative and within 5 days after the conclusion of the conference a decision shall be rendered in writing to the aggrieved or the employee's designated representative. If the aggrieved employee is not satisfied with the decision rendered at this step, the employee or the employee's designated representative may appeal in writing to step two within 5 days.

- (2) Both employee and department head or chairman or designee shall continue to review the matter, either privately or with the help of others in the employee's immediate work unit who are directly involved in the grievance. Each department head or chairman or designee shall use judgment in keeping superiors informed of the status of each grievance and, if necessary, request guidance, advisory committees, or other assistance consistent with departmental policy. If either the employee or the department head or chairman or designee feels the need for aid in arriving at a solution, the campus personnel department may be requested to provide resource staff or any other available resource personnel may be invited to participate in further discussions. The addition of such participants does not relieve the department head or chairman or designee and the employee from responsibility for resolving the problem.
- (c) Step Two. The appeal shall be submitted to the president of the constituent institution or the president's designated representative within 5 days after the receipt of the written decision at step one. The president or the president's designated representative shall hold a conference with the aggrieved or the employee's designated representative within 10 days of receipt of the written grievance appeal and render a written decision within 15 days after the conclusion of the conference.
- (d) Step Three. In the case of any still unresolved grievance between an employee and the constituent institution, the aggrieved employee, after exhausting all available procedures provided by the constituent institution, may submit the grievance to either arbitration or to the Chancellor who may delegate this responsibility to the Office of Administrative Hearings in accordance with Title 10, Subtitle 2 of the State Government Article. In either case, the appeal shall be submitted within 10 days after the receipt of any written decision pertaining to that grievance and issued by the constituent institution. If the grievance is arbitrated, the parties shall select an arbitrator by mutual agreement. If they are unable to reach a mutual agreement, an arbitrator shall be supplied by the American Arbitration Association by their procedures. Any fees resulting from arbitration are assessed by the arbitrator equally between the two parties. The arbitration award is advisory to the Chancellor or administrative law judge, as appropriate, and an

additional appeal or hearing may not be considered. The Chancellor or administrative law judge, as appropriate, shall make the final decision that is binding on all parties.

- (e) *Authority of Chancellor or administrative law judge.* The Chancellor or administrative law judge, as appropriate, shall have the power to award back pay in any grievance and the president of the constituent institution shall enforce such order. In any reclassification case in which the Chancellor or administrative law judge, as appropriate, or his designated representative, determines that an employee has been misclassified, the Chancellor or administrative law judge, as appropriate, may, in his discretion, award back pay to the employee for a period not to exceed one year prior to the initial filing of the grievance.
- (f) *Coercion, discrimination, interference, reprisal and restraint prohibited.*
- (1) During any stage of a complaint, grievance, or other administrative or legal action that concerns State employment by a full-time or part-time employee of an institution, or by a temporary or contractual employee of an institution, the employee may not be subjected to coercion, discrimination, interference, reprisal, or restraint by or initiated on behalf of an institution solely as a result of that employee's pursuit of a grievance, complaint, or other administrative or legal action that concerns State employment.
 - (2) An employee of an institution may not intentionally take or assist in taking an act of coercion, discrimination, interference, reprisal, or restraint against another employee solely as a result of that employee's pursuit of a grievance, complaint, or other administrative or legal action that concerns State employment.
 - (3) An employee who violates the provisions of this subsection is subject to disciplinary action, including termination of employment.

§ 13-204 Decisions

Within 15 days following the conclusion of the investigation, the written decision shall be rendered to the employee. The appeal shall be submitted within 10 days after receipt of the written University decision. Rejection for cause is not required in the case of an employee rejected on original probation.

(2) *Rejection on Promotional, Transfer, or Horizontal Change Probation.* Within 5 days of receipt of the recommendation of the department head or chairman to reject, an employee who is promoted and then rejected within the probationary period for the new class and for whom a vacancy in the former class is not available may file an answer with the president or the president's designated representative and request an investigation of the proposed

rejection. Within 20 days, if possible, after receipt, the president or the president's designated representative shall investigate the proposed rejection. The same rule applies to an employee who has completed a probationary period in one classification and makes a horizontal change to a new classification, and is rejected in the new classification or who transfers to any other department in the same classification and is rejected. Within 15 days following the conclusion of the investigation, the written decision shall be rendered to the employee. The appeal shall be submitted within 10 days after receipt of the written University decision.

All suspension days shall be consecutive.
- (3) The employee or the employee's designated representative may submit a written appeal on a disciplinary suspension to the president or the president's designated representative within 5 days of notification of the suspension, or the employee or the employee's designated representative may appeal the suspension within 3 days of notification of the suspension to the department head or chairman or designee. The department head or chairman or designee shall hear the case within 3 days from the receipt of the written appeal. If the appeal is unheard or unanswered as a result of management delay, the employee shall be reinstated with full back pay.
- (4) If the suspension is upheld by the president or the president's designated representative, step three of the grievance procedure is available to the employee. If the employee chooses to appeal to the department head or chairman or designee, any further appeals shall proceed through steps two and three of the grievance procedure.

(e) *Preliminary hearing.*

- (1) If an employee is suspended without pay pending a hearing on disposition of charges for removal, the president or the president's

designated representative shall notify the employee in writing of the reasons for the suspension at the time of the notice of the suspension.

- (2) Within 5 working days of the notice of suspension, the employee may request in writing that the president or the president's designated representative, in addition to conducting a hearing on the merits, conduct a preliminary hearing to determine whether or not the employee may continue to work with pay pending the disposition of the charges.

Where a number of individual grievances have been reduced into a single grievance, not more than three employees selected by and from the group may be excused from work to attend a grievance meeting called by the responsible administrator at step one and not more than five employees at steps two and three unless, at any step, prior permission is granted by the person hearing the grievance.
