**Features**

This insurance offering from your employer and MetLife comes with a variety of added features that can provide assistance to you and your family members today and during a difficult time.

**Accelerated Benefits Option***

*For access to funds during a difficult time*

You can receive up to 100% of your Supplemental Term Life insurance proceeds to a maximum of $300,000 for Class 1 and $500,000 for Class 2 in the event that you become terminally ill and are diagnosed with less than 12 months to live. This can go a long way toward helping your family meet medical and other related expenses at this difficult time. The Accelerated Benefit Option is also available to spouses insured under Dependent Life insurance plans. This option is not available for dependent child coverage.

*The Accelerated Benefits Option is subject to state availability and regulation. The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable federal tax treatment. If the accelerated benefits qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation.*

This information was written as a supplement to the marketing of life insurance products. Tax laws relating to accelerated benefits are complex and limitations may apply. You are advised to consult with and rely on an independent tax advisor about your own particular circumstances.

Receipt of accelerated benefits may affect your eligibility, or that of your spouse or your family, for public assistance programs such as medical assistance (Medicaid), Temporary Assistance to Needy Families (TANF), Supplementary Social Security Income (SSI) and drug assistance programs. You are advised to consult with social service agencies concerning the effect that receipt of accelerated benefits will have on public assistance eligibility for you, your spouse or your family.

**Conversion**

*For those who wish to have more permanent coverage*

You can generally convert your Group Term Life insurance benefits to an **Individual Whole Life** insurance policy if your coverage terminates in whole or in part due to your termination of employment, a change in your employee class, or an age related reduction. Conversion is available on all Group Life insurance coverages. Please note that conversion is not available on AD&D coverage. If you experience an event that makes you eligible to convert your coverage, you can speak with a MetLife representative by calling: 1-877-275-6387. You only have 31 days from your termination date to select this option.
Waiver of Premiums for Total Disability (Continued Protection)

Offering continued coverage at no cost

You may be eligible to waive your Supplemental and Dependent Term Life and Voluntary Accidental Death and Dismemberment insurance premium until you reach age 65, die or recover from your disability, whichever is sooner, should you become unable to work due to total disability. Total disability or totally disabled means your inability to do your job and any other job for which you are fit by education, training or experience, due to injury or sickness. The total disability must begin before age 60, and your waiver will begin after you have satisfied a 9-month waiting period. The Waiver of Premium will end on the earliest of your turning age 65, death or recovery. Please note that this benefit is available after you have participated in the Supplemental Term Life Plan for one year and it is only available to you.

Portability

So you can keep your coverage even if you leave your current employer

Should you leave the State of Maryland for any reason, and your Supplemental and Dependent Term Life and Voluntary Accidental Death and Dismemberment insurance under this plan terminates, you will have an opportunity to continue group term coverage ("portability") under a different policy, subject to plan design and state availability. Competitive rates apply, but will likely be higher than your current rates. MetLife will bill you directly. To take advantage of this feature, you must have coverage of at least $10,000 up to a maximum of $2,000,000.

Portability is also available on coverage you’ve selected for your spouse/domestic partner and dependent child(ren). The maximum amount of coverage for spouses is $250,000; the maximum amount of dependent child coverage is $25,000. Increases, decreases and maximums are subject to state availability.

Generally, there is no minimum time for you to be covered by the plan before you can take advantage of the portability feature. Please see your plan administrator or certificate for specific details.

Please note that if you experience an event that makes you eligible for portable coverage, please call a MetLife representative at 1-866-492-6983 or contact your plan administrator for more information. You only have 31 days from your termination date to select this option.

The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount.
